By JUNE JONES

DR. GASTON FOOTE, pastor of the First Methodist Church in Fort Worth, who was the principal speaker at the annual Chamber of Commerce banquet last Friday night, proved to be a yarn teller of some repute.

However, he spun them so fast many folks could hardly keep up with him.

We particularly liked the one about the school teacher who was explaining the difference between prose and poetry to her class.

After she had given examples of sentences that rhymed as being poetry, and sentences that did not rhyme as prose, she called on members of her class to check her lesson theories.

A youngster, usually named little Johnny, came up with this example:

There was an old man who lived near a well,

By the way he lived he was going to . . .

"Teacher," he asked, "do you want prose or poetry?"

SO THE PEOPLE MAY KNOW, we reproduce the following statement from the current issue of the Texas Press Association's magazine, The TPA Messenger:

At the insistence of the Texas Press Association, the 51st Legislature in 1949 passed the mandatory publications act.

The act provided that all public officers of the state, counties, cities and the school districts who are required by law to publish legal notices or financial statements and who shall fail, refuse or neglect to make such publications shall be guilty of malfeasance of office and subject to forfeiture of salary for the month in which such failure occurs.

Such officers shall be subject to removal from office upon willful continuance of such neglect of duty.

LEE FARNSWORTH, mechanic of Hamlin, is reported to have established some sort of a speed record several nights ago as he returned home from Stamford with some friends.

Out between Stamford and Hamlin he thought he recognized a friend on the highway, yelled at him—but learned too late he had mistaken the identity of the folks in the car.

Lee's group returned to town at a fast clip, only to be later faced with the people in the car, who wanted to know where they could find a gunsmith.

FOR \$12 A GALLON you can buy thousands of lady bugs from a dealer in Plainview. This statement might be of interest to the farmers and gardeners of the Hamlin section, because:

Under cover of darkness, so that they won't fly away, these cannibalistic insects can be released a quart at a time in flower beds or by gallons in wheat and cotton fields for them to prey on aphids, army worms, red spiders, thrips, cut worms, green bugs, boll worms and all other vegetable eating insects.

The lady bugs are more easily handled, the dealer says, than other friendly insects such as the fly lion, lace-winged fly, hooded beetle, etc. The lady bugs are kept half frozen and dormant. They fill up with eggs while in that condition and when released immediately start production. The larvae of the lady bugs eat the eggs and young of the insects which prey on wheat, cotton and plants, and the adult lady bug devours the adults of the harmful insects.

The application of friendly bugs is expected to last other years and is not supposed to be just an annual detergent as dusting and spraying.

UEL D. CROSBY, Methodist pastor at Brownfield, who is conducting revival services at the local First Methodist Church this week, declared in a talk at the Lions Club meeting Tuesday that he discovered Texas is noted for its boastful citizens.

"As I traveled through many other states in connection with my church work, I found most people admired Texas, but oftentimes got tired of its citizens bragging about it so much," Crosby said.

"But the reason most of them could put up with the bragging and boasting was that most of what the Texans said was so."

LOOKS LIKE A LAWYER'S CONVENTION—The George Parr hearing in federal court in Houston had so many lawyers around, as principals and spectators, that it looked almost like a bar convention. Chatting in this group are, from left to right: John Pinchinson of Corpus Christi, one of Parr's attorneys; Texas Attorney General John Ben Shepperd; Attorney J. J. Bernard of Houston, a spectator; Arthur Garfield Hays of New York, the leader of the Parr legal battery, and Gerald Weatherly of Falfurrias, another Parr lawyer.

County Red Cross Drive Has Goal of 3,000 Memberships

55 Per Cent of Money Raised to Stay in County

Jones County's goal for the American Red Cross fund campaign has been set at \$8,000 for this year. Chapter membership to be sought this year is 3,000 members. The drive opens on Thursday, March 4.

Frank Cannon of Stamford is Jones County fund campaign chairman and will also head the drive for Stamford. Mrs. A. J. Smith Jr. is Anson chairman, and Edgar E. Duncan is Hamlin chairman. Chairmen of the various communities will be announced.

Fifty-five per cent of the money raised will be retained by the local chapter, and 45 per cent will be remitted to the area office, Mrs. Frank Gamblin, executive secretary of the chapter, explained. This is an increase in the amount which is retained. Last year 48.2 per cent was retained.

Royston People Plan for Return Last Week-End of Howard Fought to Home

All week the Royston community looked forward to Saturday. Howard Fought, son of Mr. and Mrs. Jim Fought, was coming home after two years in Germany. They couldn't wait to see him! They all met at the Fought home. The house was overflowing with happy people.

We hope we got all the names: Mr. and Mrs. R. M. Moore and Herbert, Mr. and Mrs. Foy Mitchell and Gail, Mr. and Mrs. Jerry Crowley, P. P. Cooper and Judy.

Hamlin People Attend Lecture Series at ACC

Numbers of Hamlin area people have been attending the series of lectures being conducted this week at Abilene Christian College.

Featured on the program have been outstanding ministers of the Church of Christ. Crowds have numbered between 5,000 and 6,000 attendants at the lectures.

Mr. and Mrs. Bill Polk, Dot and Jerry, Mr. and Mrs. Frank Houghton and Jeannine, Sharon and Mignon Gruben, Mr. and Mrs. G. W. Joplin and children, Mr. and Mrs. Normey Crowley, Mr. and Mrs. Rush Rector Jr. and children, Mr. and Mrs. Ovie Rackley and children, Margaret Davis, Colleen Kelly, Laura Beth Gartman, Mr. and Mrs. Coy Carraker, Mrs. Tom Hogan, Mr. and Mrs. Ross Gruben, David Milner, Raymond Dobbs, Mrs. J. W. Stephens, Mr. and Mrs. Roy Stephens and children, Robert Earl Fought and Mrs. Hopper of Brownfield; and his brothers, John and Calvin, and his sister and family, Mr. and Mrs. Dalton Cleveland and Donnie. It was wonderful to see so many people, so happy, laughing, talking and cleaning up a mountain-size stack of sandwiches and cake. And Howard . . . well, I believe his smile was the biggest.—Mrs. Tom Hogan.

Hamlin FFA Boys Post Entries for Abilene Area Show

Seventeen Future Farmers of America of the Hamlin chapter had posted entries next week for the Abilene District Livestock Show, which will be staged this week-end at Abilene, according to T. C. Blankenship and Harold Eades, sponsors for the boys. The show will be held March 1, 2, and 3 at the Fair Park.

The Abilene show will feature many of the winners of county shows that have been conducted in the area during the past few weeks.

The following boys have posted these entries: Doyle Brinegar, two capons; Benny Watson, one capon; Paige Baize, one steer; Steve Reynolds, three barrows; Doug Ford, one barrow; Lavere Wilson, two steers; Roy Server, one steer and one barrow; Kenneth Rowland, one steer; Bill Everton, two barrows; Donald Johnson one barrow; Dawl Johnson, one barrow; Mac Reid, one barrow; James Lain, one barrow and three capons; Larry Williams, one barrow; Jackie Drummond, one barrow; Murl Smith, three barrows; Lane Fletcher, one barrow.

Construction Begins On Big T-P Gas Plant

Actual construction on the big \$500,000 gas plant of the Texas Pacific Coal & Oil Company got underway Tuesday, according to E. C. Watts, superintendent of the job for Fish Engineering Company, contractor for the big plant.

Foundations were dug, and most of the ground lay-out work had been completed Thursday. Crews were lined up, officials said. The plant, located on the Holly Toler tract, seven miles northwest of Hamlin, is scheduled to be ready for operation sometime in April.

THESE LED THE PARADE OF CHAMPIONS AT SATURDAY CLUB SHOW

CLUB SHOW CHAMPIONS—The six pictures here prove that top quality was necessary to take honors at the annual Jones County Clubs Boys' Livestock Show, held last Saturday at Hamlin. Four of the seven grand champion trophies offered at the show were won by exhibitors from Hamlin. In the pictures: James Cox (upper left), Luaders 4-H Club boy, with his lightweight Hereford steer that won the reserve championship in the breeding class; Louella Brigham, Hamlin 4-H Club girl, with her 940-pound steer bred by Largent & Sadler of Merkel, that took the grand championship in the beef cattle class; Bud Shelton (right) Avoca FFA boy, who scored grand champion for capons, and Jerry Reeves, Luaders FFA, who won the reserve champion for capons; Steve Reynolds (lower left), Hamlin FFA, who registered the grand champion dairy female with his Jersey cow; Kenneth Good, Anson FFA, who took the grand champion for lambs with his cross-bred Southdown-Rambouillet lamb; and Dawl Johnson, Hamlin FFA, with his grand champion breeding sow in the swine division. The Herald was unable to obtain good pictures of Steve Reynolds, Hamlin FFA, and his champion barrow, and T. C. Rice, Stamford FFA, and his grand champion Shorthorn heifer in the female class of fat beef cattle.

Public School Week to Be Observed in Local System

SEARCH FOR ACADEMY LOCATION—Air Force Secretary Harold Talbott pours a cup of coffee for Lt. General Hubert Harmon before the pair began an inspection of the San Antonio air bases to determine whether the air force academy should be located there. Talbott was asked if he thought San Antonio would be a good site for the academy. He replied, "I'm sure it would be—we'll give it a look."

Cast for Annual Senior Play Selected, "One Wild Night, to Be Given March 26"

Cast for the annual play of the senior class of Hamlin High School has been selected, sponsors of the group announced this week.

The play, "One Wild Night," will be presented March 26 in the high school auditorium.

The cast includes: David Cowan as a healthy young man who thinks he is an invalid; Faith Simpson as his housekeeper; Milton Crow as the inventive butler; Marilyn Fletcher as David's aunt; Eytel Sue Denton as Aunt Marilyn's young companion; Carl Young as the family doctor; Pat Fleckenstein as Dr. Young's assistant; Kenneth Kelly as a young, self-made hero; Margot Patterson as the pretty object of Kenneth's unrequited attentions; Toby Sellers, Margot's roommate; Vera Tidwell as president of the Dexter School for Girls; Jeanne Jones

as a public spirited townswoman; Angela Malout as a night club singer; Don Crowley as the town's leading gangster; Raymond Boyd as a policeman; Jimmy Ray and Duwain Rogers as moving men. Stage assistants were named as:

\$1,596.44 Raised Here For March of Dimes

Check for \$1,596.44 was sent in to the Jones County Polio Association last week by Drive Chairman Gene Prewit as Hamlin's contribution from the March of Dimes campaign just ended.

Prewit was expressing appreciation this week to all those who cooperated so beautifully in the drive, which raised a record sum this year.

Open House Set at All Schools, with Program as Climax

Texas Public School Week will be observed by the four schools of Hamlin next week, March 1 through 5 with open house and special programs at the various schools.

Also the Hamlin Lions Club will hold its regular weekly luncheon at the high school cafeteria, where special programs for the occasion will be given.

Work of pupils will be on display for the benefit of parents and friends. The following buildings will participate: Primary, elementary and junior high. Open house will be observed between 7:00 and 8:00 p. m. on Thursday evening.

At 8:30 p. m. the following program will be given in observance of Public School Week, with Mrs. Ned Moore, president of the Parent-Teacher Association presiding:

Invocation, Rev. J. S. Sheppard, pastor of Calvary Baptist Church. Salute to the Flag, led by Cub Scouts.

Welcome, I. R. Huchingson superintendent of schools.

Musical selections, seventh and eighth grade girls' choral group under direction of Mrs. J. B. Jayroe.

"Tax Structure of the Hamlin Public Schools," Haskell Carter, secretary of the school board. Band selections, Junior High School Band under direction of Walter P. Chalcraft.

Girls' choral group will take their numbers from the following selections: "Jeanie with the Light Brown Hair," "Beautiful Dreamer," "Funiculi Funicula," "Morning Song," "Leave Me to Languish," "Battle of Jericho," "When

Hamlin Couple Named Delegates to State Meeting of Carriers

Two Hamlin rural carriers and their wives attended the Six-County Rural Letter Carriers Association convention held Monday at Stamford.

Roscoe Smith of Roby was re-elected president of the group. Mrs. Wylie Williams of Moran was named president of the auxiliary.

Delegates to the state convention in Brownwood, elected by the respective organizations, were Mr. and Mrs. Roscoe Smith, Mr. and Mrs. J. M. Williams of Haskell, Mr. and Mrs. G. H. Rennels of Avoca, Mr. and Mrs. W. L. Fletcher Jr. of Hamlin and O. W. Tooley of Haskell.

Attending the meeting from Hamlin were Mr. and Mrs. Fletcher and Mr. and Mrs. I. R. Clements.

Who's New This Week

Mr. and Mrs. James Rodgers of Amarillo are announcing the arrival of a son on February 22 at 3:20 a. m. in an Amarillo hospital. The youngster, weighing five pounds 10 ounces at birth has been named Rickey. Paternal grandparents are Mr. and Mrs. Edd Rodgers of Hamlin, and maternal grandparents are Mr. and Mrs. Willie Gruben of Rotan.

Two new citizens are reported at Hamlin Memorial Hospital since last week. Both boys, they are:

A boy for Mr. and Mrs. T. C. Acklin, born February 19 at 12:00 midnight. Weighing eight pounds, he has been named Teddy Gene.

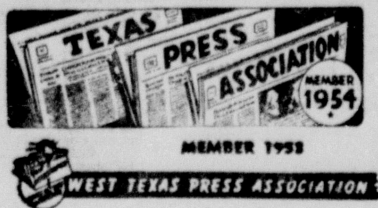

A boy for Mr. and Mrs. E. C. Gray Jr. arrived February 19 at 6:20 p. m. The young man will answer to Clay Dane. He weighed nine pounds 12 ounces at birth.

NOW IS THE TIME TO PLAN FOR SWIMMING POOL

While the weather we are having would lend little encouragement for a dip in a swimming pool, it not any more untimely for our Hamlin community to be thinking and planning for one than it is for the farmer to be working toward the crops he plans to raise for harvest next summer and fall.

Of course, the basic factor in building a swimming pool is the financing of the project. The Herald rises to suggest again that one could be built at the south end of the City Park with a little money and a lot of cooperation on the part of our citizens. The topography of the land is ideal—very little excavation would be necessary, and we'll bet our bottom dollar there are several contractors in the community who would donate their equipment and time to make the necessary dirt moving. We are confident that the carpenters of the community would build the forms for pouring the concrete. We daresay form lumber could be accumulated from here on dthere, which would be returned upon com-

pletion of the forms. We just know Hamlin Sand & Gravel Company would donate the sand and gravel; and truckers, we believe, would haul it to the site. Scores of high school boys and others would help with the material handling.

The Hamlin Herald would give a liberal commission on subscriptions secured in a subscription contest that would provide the necessary money for cement and steel.

How about calling a town meeting of the youngsters and oldsters to plan and get the ball to rolling on this project, which was one of the major needs of the community as reflected in the Chamber of Commerce clinic conducted several months ago?

Our kids are going to go swimming in spite of anything their parents and others can do. Do we want to provide this wholesome recreation here close at home, where we can know of our children's whereabouts and can help to see that their swimming and the swimming facilities and properly regulated and safeguarded?

Taxpayers Pick Up Check

In 1913, when the federal tax on corporations was only one per cent, tax exemption of public owned business was not serious. Conditions are far different now. Federal tax rates on corporate income have risen to 52 per cent, plus a graduated excess profits tax which brings the over-all rate to as much as 82 per cent of net income. With rates that high, how long can private business compete with tax-exempt socialized enterprise?

In the case of electric power, tax exemption of public power projects could ultimately mean destruction of all tax-paying enterprise in the field, an irreparable tax loss to the country, and a long step toward total state socialism. In the last fiscal year private power companies have paid more than \$750,000,000 in taxes to the federal government and almost \$470,000,000 to state and local governments. Since federal projects now have one-eighth of the country's total generating capacity, they should have paid \$90,000,000 in taxes to the federal government and \$60,000,000 to state and local governments. They actually paid less than \$5,000,000 in lieu of taxes to the state and local governments, and nothing to the federal government. There was a total tax loss of around \$150,000,000 and the nation's taxpayers picked up the check.

It's time to put federal power on the tax rolls and stop cutting the ground from under a private industry which renders outstanding service and which is now spending billions for expansion to meet future needs.

We Can Learn New Tricks

The general doctrine "You can't teach an old dog new tricks" has long outworn any usefulness it may have had and should be tossed into the waste-basket.

Old dogs can learn new tricks. The erroneous belief that they can't creates a sense of futility, a defeatism in the individual and has prevented many a person from striving to better himself.

Habits of long standing can be overcome. Personality is made up of habits. When they are changed, for better or for worse, a new personality emerges. The individual gains a new outlook on life.

Through cultivating constructive habits, habits that put one more in harmony with his fellowmen and give an incentive to achievement, the individual becomes literally a new creature.

One of the most encouraging discoveries of modern science is that new habits can be formed at any time of life, which means that you, no matter what your age, can make decisive improvements in your personality.

Fred Sykes says a peeping tom is just a wolf gone window shopping.

Lowest Not Always Cheapest

"It's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money—that is all. When you pay too little you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do. The common law of business balance prohibits paying a little and getting a lot—it can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run. And if you do that, you will have enough to pay for something better." These are the wise words of John Ruskin.

Mr. Merchant, when you purchase advertising, remember this: You're not buying newspaper space alone—but you're buying reader interest in that space. Your return will be greater, therefore, where the largest number of people are buying and actually reading your advertising medium—a fact that will convince you of the importance of space using in The Hamlin Herald—read each week by over 4,000 residents of your trade area.

Editorial of the Week

MYSTERY GAME

Many a dignified judge, clergyman or bank president will recall that as a small boy he played cowboys and Indians with a lusty relish for blood-curdling "realism." He will note that the civilizing process of growing up tamed the light-hearted savagery of the small boy, so that the grown man today evidences no desire to scalp or torture his associates.

Even so, we doubt that he will be inclined to buy for his young sons or nephews a new "mystery game" for children of "seven and up." The advertisement for this game reads: "Striking lithographed box, four weapons, hatchet, revolver, knife and bottle of poison . . . 100 playing cards, four murder cards and complete directions."

Somehow this gruesome and crass commercial appeal seems far removed from the spontaneous war whoops of the neighborhood gang of redskins staging a rip-roaring slaughter on the corner lot. Part of the difference may lie in the statistics of juvenile delinquency in the United States today, including a horrifying increase in sadistic crimes of violence.

The youth today does not so easily come to realize that the bang-bang make-believe "murder" of his childhood days has no relation to normal life. Instead, he is encouraged by TV, radio, movies, press and comic books to look on killing, torture and violence as constituting the major part of adult living. Grown-ups may well ask themselves if they are doing all they can to counteract this impression by first of all wiping out of their own minds all morbid or obsessive interest in crime.—The Christian Science Monitor.

RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper, The Herald . . .

TWENTY YEARS AGO.

Among news items carried in The Hamlin Herald 20 years ago were these, taken from the issue of February 2, 1934:

Richard Feagan, who is a student at Rice Institute, spent a few days with his parents, Mr. and Mrs. Elmer Feagan.

Mrs. G. H. Tumlin entertained the Merry Matrons Club Thursday afternoon. The following members were present: Mmes. J. B. Eakin, J. W. Ezell, B. L. Jones, C. C. Prater, R. H. McCurdy, W. F. Johnson, Milton Wilson, John Ed Day and Tom Williams.

Jones County stands second in the state in cotton production for last season with 88,066 bales. The county ginned 98,809 bales in 1932. Dramatic Club of Hamlin High School will present a play, "Boots and Her Buddies" at the school tonight (Friday). Characters in the play are Pearl Morris, Marvin York, Harry Tinsley, Marjorie O'Donnell, Punch Via, Ralph D. Boone III, Warren Nobles, Louise Reynolds, Dorothy Hines, Leone Bowman, Laverne Locke, C. O. LaRue Jr., Lillian Nowlin, Nora Koen, Gladys Harris and Estillene Richardson.

Survey has been completed for Hamlin-to-Sweetwater highway. Helpy-Selfy Grocery was advertising the following items: Candy, two pounds for 25 cents; pure pork sausage, 10 cents pound; coffee, three pounds for 65 cents.

ELEVEN YEARS AGO.

Among news items of 11 years in the Hamlin territory were the following, taken from the issue of The Hamlin Herald dated February 26, 1943:

Mr. and Mrs. O. C. Newberry went to Lubbock this week, where Mr. Newberry is taking treatment in a hospital.

Mrs. D. W. Carlton, who underwent a major operation last week at Stamford is reported doing nicely now.

Mrs. B. Middleton, who has been in a Stamford hospital for treatment, was able to return home Tuesday.

Mr. and Mrs. M. Luther Moore are the parents of an 11-pound son, born Saturday, February 20, at their home in West Hamlin.

A fire which was discovered in the roof of the J. B. Eakin home Thursday morning did considerable damage.

Dorothy Hudson, daughter of Mr. and Mrs. John Hudson, and Ester Hastings, son of Mr. and Mrs. Claud Hastings, were married February 17 at Anson by the pastor of the Methodist Church. Ester is employed at the Hamlin Hatchery.

Mrs. Paul Behning, recent bride, was honored Tuesday evening at a gift party at McCauley's.

FIVE YEARS AGO.

The following news briefs of events in the Hamlin community of five years ago were taken from the issue of The Hamlin Herald dated February 25, 1949:

Prices on groceries as advertised by Simpson's Fine Foods included these: Folger's coffee, 40 cents pound; tenderloin steak, 66 cents pound; Velveeta cheese, two-pound box, 79 cents.

Stanley Carmichael, Harry Carmichael, Jim King, Cy Teague and B. B. Caldwell, spent several days last week on a fishing trip in Old Mexico.

No candidates had filed for the two vacancies on the City Council which will be filled April 2 in the city election.

A new addition to the northwest portion of Hamlin is being opened by Tom Holman. Eighteen new homes are to be built on the tract. Arlie Cassle has been named drive chairman for the Red Cross campaign in the Hamlin community. Hamlin's quota has been set at \$892.

ONE YEAR AGO.

News events of a year ago in the Hamlin region included the following, as reproduced from the issue of The Hamlin Herald dated February 27:

Nearly half an inch of rain fell in the Hamlin territory first of the week to offer some hope for moisture for early spring crops. This brought the total rainfall for the year to .35 of an inch.

Members of the Choral Club at Hamlin High School have presented musical programs at Anson and Snyder during the past several days.

Right-of-way for the new water line from Hamlin to Stamford is being surveyed this week. Work on the laying of the line is expected to get under way soon, according to Mac Brundage, mayor.

Five Hamlin men were among area folks interested in soil conservation who attended a district soil meeting Thursday at Sweetwater.

Nation Is in for Another Beef-Buying Spree, Says Gouldy, Market Reporter

The nation is in for another beef eating spree in 1954 on the basis of the report that the cattle population was one per cent higher on January 1 than a year earlier. This is the report of Ted Gouldy, special market reporter for The Herald, in his weekly release. He continues:

The estimate is that there are 94,700,000 cattle on farms in the United States. Last year (1953) beef consumption per capita in the nation was at a record level, and about 12 pounds above the preceding year. Estimates are that this year the nation will eat only a little less beef per capita.

The American Meat Institute says that beef is at an all-time low. The same goes for the price of all meats on the average. They base this figure on the number of minutes of labor required to buy a pound of meat.

The institute's figures reveal that during 1953 it required only 23.6 minutes of labor to pay for a pound of beef. During the depths of the depression, it took 35 minutes' labor to earn the money to buy a pound of beef.

The average labor required for a pound of "all meats" in 1953 was only 21.2 minutes. During the depression it required 30.8 minutes' labor to buy a pound of beef.

At Fort Worth Monday fed cattle were fully steady to strong, except some half-way yearlings and heifers that were draggy and weak. Some club yearlings topped at \$25, and the better grades of commercially fattened steers sold from \$17 to \$22.50.

Fat cows drew \$10 to \$12.50, and canners and cutters \$7 to \$10.50. Bulls sold from \$10 to \$14, a few higher. Fat calves drew \$15 to \$20, lower grades \$10 to \$15.

Desirable stocker calves cashed at \$16 to \$20, feeder cattle were quoted to \$20 or above. Stocker cows brought \$9 to \$13.50.

The Teague Chronicle reported recently that some losses are occurring in cattle on lush early grass along the Brazos River bottom lands. The trouble has been diagnosed as "grass tetany" and seems similar to what was called "wheat field poisoning" in the wheat country. Springer heifers

and cows with young calves seem to be the principal sufferers.

If your cattle show nervousness, weakness, violent temperature, staggering gait, etc., call a veterinarian at once. It may prevent losses if you act quickly.

Hogs were 25 cents higher Monday. Top was \$26.50 to \$26.75. Sows brought \$21 to \$24.

The boys from Burnet County furnished the highlight of the Monday sheep trade at Fort Worth. They had shorn fat old crop lambs that brought the day's high of \$19. Most other clipped lambs sold from \$16 to \$18.50, with lower grades \$12 to \$16. Feeder shorn lambs drew \$18.50 down, and some light weight woolled feeders drew \$19.

The year's best price was equalled on new crop milk fat lambs with the top kinds selling from \$23.25 to \$23.75. Old ewes drew \$7 to \$9, some stocker ewes to \$10 to \$12. Old bucks brought \$4 to \$5. Aged wethers cashed at \$9 to \$12. Yearlings and two-year-olds sold for \$12 to \$16.

Commercial feeding projects continue to become more and more popular with the 4-H and FFA youths. This is a type of program we have advocated for a long time and which we believe has much to recommend it.

It is noteworthy that of the numerous groups of such youths who have marketed their stock at Fort Worth Sunday and Monday.

BOTTOMS UP!

A Last Drink — A Last Drive

The party's over—Bottoms Up! Let's get going!

For thousands of men and women—children and pedestrians, too—that has been the beginning of the end. On the highway at night, where the road curved and the hazy driver drove straight ahead, there was another "Bottoms Up!" and the end of the last drive.

It's hard to convince a person who has had a few drinks that he shouldn't drive. Alcoholic stimulation engenders a false confidence in his ability. In reality, his reactions have slowed down, his perception and judgment lowered—driving alertness gone. In a later stage the road blurs, lights blind as he fights drowsiness, loses control.

Seldom is he endangering his life alone. He is also endangering the lives of those traveling with him and others on the streets and highways. In 35 states 166,179 drivers lost their licenses in 1952 for drinking and driving. Thirty-five per cent of all revocations are brought against drinking drivers.

If you have been drinking, either let someone else drive, leave your car and call a taxi, or stay where you are until your senses clear. Stay off the road!

State Conservation Chairman of Texas Federated Clubs Speaks to Fifty-Two

Eudora Hawkins, state conservation chairman for the Texas Federated Women's Clubs and public relations representative of the West Texas Utilities Co. of Abilene, was featured speaker for the Fifty-Two Study Club when the unit met Friday afternoon in the home of Mrs. E. J. Hawkins for its program on conservation. Mrs. Dean Witt was co-hostess for the occasion.

Miss Hawkins made a talk on conservation, urging us to look around us and be conservation-minded. She stated that 40 acres of farm land goes down the Mississippi River every minute. She said that "we have no new frontiers; we must rebuild and conserve what we now have."

Miss Hawkins showed the film, "Yours Is the Land," illustrating good and bad uses of the land. She

Fifty-Two Study Club Gives Support to Several Club Projects

In the business session preceding the program last Friday afternoon of the Fifty-Two Study Club the group voted to send a box of clothing to the Indian reservation at Livingston, Texas. They voted to send a \$10 CARE package and to contribute to each of the following organizations connected with federated club work: Eunice Buchanan Fund, Psychiatric Nursing Fund, Alcoholism, and Warm Springs Foundation.

Mrs. Grover Prewitt was elected as a new member of the club. The president, Mrs. Fred B. Moore Jr., presided at the business meeting. Director for the program was Mrs. Dean Witt.

Mrs. Delma Shelburne gave the invocation, and Mrs. Gene Westmoreland led the club collect in closing.

It was announced that Friendship Day will be observed by the club, at which time members will go to see a shut-in, visit an elderly friend or write a letter to someone with whom they do not correspond regularly.

Twenty-one members and one guest were served refreshments on arrival.

APPLE SAUCE NUT BREAD ... for parties, snacks and family meals

Here is a varied-use Nut Bread, fancy or plain, depending on how you serve it, with a fruity flavor that holds to the last crumb.

In thin slices, lightly buttered, this Nut Bread is a tea time or luncheon party delicacy. Cut thick, heaped with cream cheese, peanut butter or jelly, it's an extra hearty bread for children's lunches. In medium slices, it's bread for the family meal or late evening bite.

Note the flavorsome ingredients... canned apple sauce, orange juice and rind, raisins and nuts. The canned apple sauce gives it a delicate apple flavor and moist freshness... a freshness that keeps for days. Gives the loaf body, too, for neat slicing.

You'll find this Nut Bread inexpensive to make—and so easy you'll want to have it on hand often.

Apple Sauce Nut Bread

- 1 large orange
- 1 cup seedless raisins
- 1 cup canned apple sauce
- 2 cups sifted all-purpose flour
- 2 teaspoons baking powder
- 1 teaspoon baking soda
- 1 cup sugar
- 1/2 teaspoon salt
- 1/2 cup chopped nut meats, walnuts or pecans
- 1 egg
- 2 tablespoons melted butter or margarine

Squeeze juice from orange. Using medium blade, put rind through food chopper with raisins. Add orange juice, rind and raisins to apple sauce. Sift together flour, baking powder, baking soda, sugar and salt. Add fruit mixture and nutmeats. Mix thoroughly. Beat egg, add with melted butter or margarine, stirring until thoroughly blended. Pour into greased loaf pan 8 1/2" x 4 1/2" x 2 1/2". Bake in moderate oven, 350° F., 50-60 minutes. Remove from pan; cool on wire rack.

Good Neighbor Club Names Nominee to District THDA Meet

Members of the Good Neighbor Home Demonstration Club answered roll call with "My First Hat" when the group met Tuesday afternoon at the Neinda community center, with Mrs. Ray Williams and Mrs. Sam Hodges as hostesses.

Mrs. Noel Weaver was named as nominee to attend the THDA district meeting at Seymour on March 24.

A program on the selection and renovation of hats was given by Mrs. Audrey Hodnett and Mrs. O. H. Weaver. Following the program a demonstration was given on the salad master.

Refreshments were served to Mmes. A. V. Westmoreland, Sam Hodges, Audrey Hodnett, J. C. Hodnett, Irby Weaver, Jack Kelly, Fred Vaughn, Jack Williams, John Brown Jr., Ray Williams, R. L. Falkenberg, Ervin Euckert, Noel Weaver, Elmer Joiner and Claud Falkenberg, members; Mrs. Perry Davis, a new member; and Mrs. Ray Johnson and Mrs. G. A. Carothers, visitors.

North Central Church Adult Training Union Names New Officers

New officers for the Young Adults Training Union at the North Central Avenue Baptist Church were elected Sunday evening at a business session of the group. They officers are: George Campbell, president; Callan George, vice president; Jack Hames, secretary; Mrs. C. George, group captain; Mrs. Bob Christian, Bible quiz leader; Mrs. George Campbell, social chairman.

"Everyone is cordially invited to attend each Sunday evening. We sincerely hope that members who have been absent recently due to illness, etc. will be able to be back with us real soon," declared Mrs. R. Nichols, reporter.

Mrs. and Mrs. Tate May spent the week-end at Brownwood, visiting with Mr. and Mrs. Gene Waggoner.

Home Demonstration Club Council in Interesting Business Session at Anson

All the Home Demonstration Clubs of the county were represented and seven visitors were present when the Jones County Home Demonstration Council met in regular session in the agent's office last Wednesday afternoon, according to Mrs. Charlie Myatt, reporter.

No committee reports were given except by the reporter's committee. That committee reported that all reporters in the clubs would be mailed a sheet of rules to be followed for making a press book.

It was announced that a recreation school will be held March 4

Friendship Club Has Demonstration Friday on Kitchen

A program on "Organization in the Kitchen" was featured when members of the Friendship Home Demonstration Club met Friday afternoon at the oil mill guest house. Hostesses for the meeting were Mmes. John Hix and Sol Branscum.

The program was presented by Jimmie Lou Wainwright, county home demonstration agent, and Mrs. Capehart, home management specialist of the extension service.

The club voted to sponsor Gene Murff as 4-H Club king for Jones County.

Following the program, refreshments were served to the following: Mmes. W. M. Brown, Bert Fomby, Henry Gardner, M. S. Johnson, Ray Johnson, Gene Witt, June Jones, Elbert Payne, H. E. Brown, Grady Smith, W. J. Kemp, Esther Hastings, Ed Branscum, members; Miss Wainwright and Mrs. Capehart, visitors; and the hostesses, Mmes. John Hix and Sol Branscum.

Mrs. Brad Rowland Reviews Book at Meet Of McCaulley Club

Mrs. Brad Rowland of Hamlin reviewed the book, "On the Edge of the Prime Evil Forest" by Albert Schweitzer in the home of Mrs. Frank Kemp when members of the McCaulley Home Demonstration Club met last Thursday afternoon. Mrs. Jerry Maberry presided at the club meeting.

Mrs. Leo Masser of Celotex will host the next meeting of the McCaulley group on March 4.

Following the review, punch and cookies were served to Mmes. Charlie Abbott and Dick Maberry of Hamlin, Mrs. Wilson Bright of Snyder, and Mrs. Charles Ferguson, Mrs. Frank Allen and Mrs. Will Davison of McCaulley, visitors; and the following members: Mmes. PUBLIC SCHOOL WEEK

Will Be Observed by Hamlin People March 1-5, You Are Urged to Participate

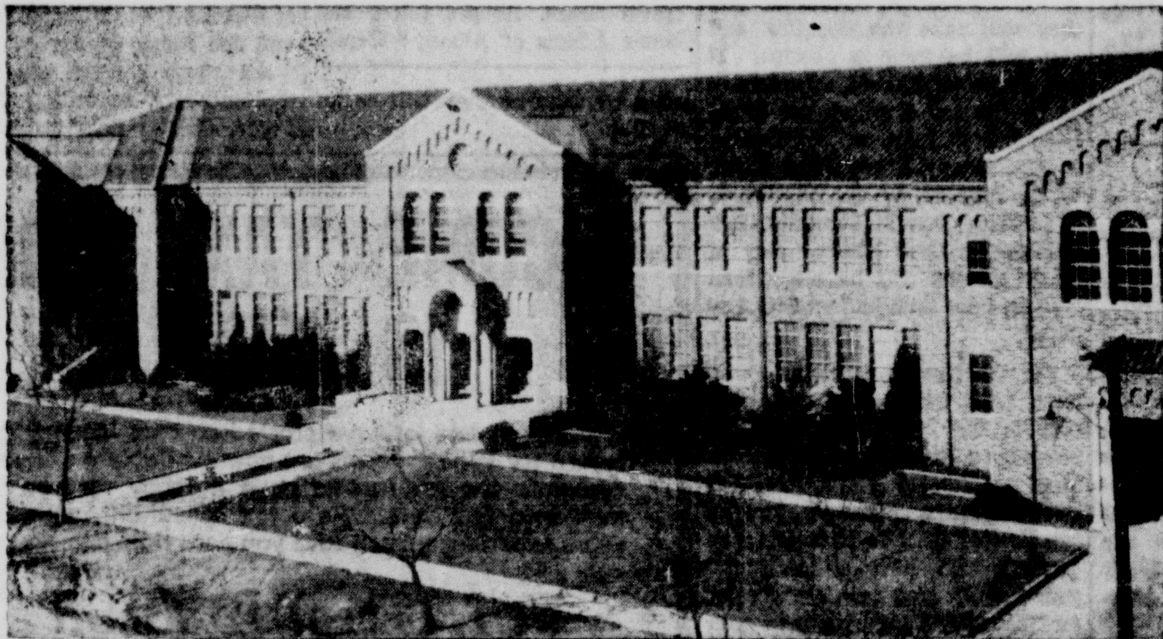

Remember the little red schoolhouse? There have been plenty of changes, many improvements, but there is still room for more. These schools teach children to enjoy the benefits of democracy, how to become good citizens.

During Public School Week every citizen should go back to school and see how well they are doing the job they were designed to do.

All Five Hamlin Schools Will Be Open for Inspection on Thursday evening from 7:00 to 8:30 p. m.

A special program will be presented under the direction of the Parent-Teacher Association beginning at 8:30 p. m. Thursday, March 4 at the Hamlin Junior High School Auditorium. A musical program by students will be given. At the DePriest School a program will be presented Thursday morning 8:30 to 9:45. Everybody is invited to visit the schools and see the program.

Out of these schools will come the future leaders in government, finance, literature, sports, education and so on. They are the people who are going to keep our institutions free; they are the people who must fight communism. The public schools are our investment in democracy. Take a look at your schools not only during this Public Schools Week, but all through the year.

Four-City Boxing Meet Slated Tonight at Junior High Gym

One of Best Cards Of Year Arranged For Fight Fans

Hamlin boxers will be out to even up their only real defeat of the season Friday night against a strong team from Odessa, declares Don McLaughlin, coach of the local crew of fisticuffs.

After a poor program last week, McLaughlin says his boys are trying to work out some of the best bouts in the country for Friday night.

"We are reasonably sure of having matches for all the Hamlin boys, plus boxers from Anson and Abilene," the coach declared.

Two rough boys from Odessa have been promised for Ritchie Smith and Dudley Griggs. Odessa is also scheduled to bring Leroy Reeves, regional open class fly-weight champion at Odessa this year, who will meet Billy Kelly. For Kenneth Kelly will be Buddy Mote, regional open class bantam weight champion of Odessa this year.

"Spider" Bynum, Abilene regional open class lightweight representative at Fort Worth in the Golden Gloves, will be on hand to take on Odessa's Don Curtis, also Odessa regional open class lightweight champ.

James Adams Abilene middle-weight champion, will be here. Jimmy White, now at Odessa, is expected to make the trip here to meet Adams, but if White is unable to come, an equal substitute has been promised.

Pee Wee Hilburn, Abilene fly-weight champ, will be on hand for anyone who can be matched with him.

"Another feature bout—if any of them can be called more featurous than the others—will be between Edward Vela of Rotan and G. Herbert Pelton of Anson. Both boys are heavyweights, and have promised to be here.

"All in all, we have 15 potential matches that will be hard to beat anywhere, McLaughlin declared.

Childress Cagers Drop Stamford from AA Run

Stamford High School's Bulldog basketball crew, champion of District 4-AA of which Hamlin is a member, were thrown out of the state AA title race Tuesday night by the Childress Bobcats in a rough-and-tough game played at Quanah. The final score was 59 to 57.

The Bulldogs were leading 31 to 25 at the half and 45 to 40 at the start of the final quarter, but a last quarter flash by the Childress boys swamped the Stamford cagers.

Wayne Wash of Stamford led the scoring with 21 points, and Nippert of Childress made 17.

McCaulley Renames Superintendent Green

T. E. Green, superintendent of schools at McCaulley, was given a two-year contract extension last week when members of the McCaulley School District met in business session.

Green went to the McCaulley schools two years ago. Seven teachers are on the faculty of the school, 10 miles southwest of Hamlin.

Sunday School Attendance Holds Gain Over Last Year

Sunday School attendance at the 11 churches reporting to The Herald continued to maintain a healthy lead Sunday over that of a year ago. Total attendance for February 21 was 1,078 compared with 957 from the same Sunday in 1953.

However, Sunday's total was 26 less than that for the previous Sunday. Considerable illness in the community accounted for the drops in some attendance records, church leaders declared.

Attendance records for a year ago, last Sunday and the previous Sunday, by churches, follow:

Church	Year Ago	Feb. 21	Feb. 22
Ch. of Nazarene	72	73	66
First Baptist	408	441	357

Little League Plans for Hamlin Taking Shape as Committee Work Out Details

The Little League for Hamlin is becoming more fact than fiction as the second meeting was conducted Tuesday evening with about 30 adults participating.

Reports of progress were made by each committee named at the previous meeting, and these people have really been hustling, according to Odie Freeman and Don McLaughlin, instigators of the movement locally.

Dudley Griggs and Bennie Ford were elected as president and vice president of the organization, with Faye Dean as secretary-treasurer.

Named team managers were Bob Laidlow, Leon Moore, Pokey Woods and Don McLaughlin. Each of these will select his own assistants. Odie Freeman and his assistant will conduct training for boys in the farm club.

For the benefit of those interested who have not had opportunity to study the functions of the Little League, the following outline of purposes and rules is given:

1. The purpose of the Little League is to build character, fair play and sportsmanship for the boys. Baseball and winning play minor roles in the organization.
2. No one individual or group profits financially from the league. All proceeds from games are put

in a league treasury for carrying on the program.

3. Initial financing of the Little League will be from donations by merchants, individuals and business men of Hamlin. The first cost will be between \$1,500 and \$2,000. This will pay for park repairs, all equipment, uniforms (except shoes and gloves), and insurance for the boys. Equipment, uniforms and insurance for the four required teams will cost approximately \$1,100, with an estimated \$400 for repairs on the local ball park before the Little League or any other baseball team can play a game.

In the event you are not contacted within the next few days for a donation, and you wish to donate, please go to Faye Dean at Hamlin Motor Company or W. T. Johnson at the bank and they will take the donation and you will be issued a receipt. If you desire additional information as to the functions of the Little League, you may contact Dudley Griggs, Bennie Ford, Faye Dean, W. T. Johnson, W. C. Westbrook, Bill Adair, Don McLaughlin, Bob Laidlow or Leon Moore. Any of these persons will be more than glad to take time and explain any detail.

For the benefit of parents who have boys who are planning to play in the Little League: Each boy must have and present a state birth certificate or a certified county birth certificate before he can be eligible. So if any of you parents will have to write to your county seat or state capital to do this at once, as the official drawing for the teams will be done in approximately two weeks. All boys must have their certi-

75 Scouters Go to Fourth Session of Training Course

Nine towns reported present, representing 19 Boy Scout troops, packs and posts when 75 Scouters of the northern district of the Chisholm Trail Council attended the training party Monday evening at Haskell.

The training party, held at the Presbyterian Church, was the fourth session of a six-week training course. The next training party will be held in the Anson Elementary School Monday evening at 7:00 o'clock. Troop 22, sponsored by the Anson Lions Club, will be host to the other Scouters of the council.

Instructors at the Anson Cubber course will be Mr. and Mrs. Joe Breed, A. L. Blackman, Dick Drum, Mrs. Dick Drum, Mrs. C. V. Neas and Mrs. Marvin Pyatt, all of Anson; Betty Davis, Mr. and Mrs. E. J. Herman, Curtis Terry, Mrs. John Bennett, Monroe Young and Mrs. E. L. Cowger, all of Stamford; and Nathan Webb of Albany.

Instructors at the Anson Explorer course will be Harry Gates, Travis Sears, Robert Gates and James Adams of Albany; Harold

ates by then or they will be ineligible.

Charlie Shira Named Assistant Grid Coach At Mississippi State

Charlie Shira, formerly of Hamlin, last Wednesday was named as an assistant football coach at Mississippi State College, according to an Associated Press story from State College.

Shira, a native of Hamlin, is the son of Mr. and Mrs. Ezra Shira, who live southwest of town.

After finishing Hamlin High School, he played for Texas A. & M. in 1943 and 1944. Later he went to West Point, where he played tackle position for the Cadets. He had served on the coaching staff at Mississippi in 1952. Last year he was assistant to Coach Darrell Royal at Edmon-ton.

Bonner, Bobby Norton, Dee Previtt, Doyle Brinegar and Allen Leonard, all of Hamlin; and Culver Carney of Haskell.

Instructors at the Anson Scout-er course will be Earl McCaleb, Tommy Beene of Anson; Willie White and Harold Parnell of Albany; Dr. Eldon McClellan, Jim Ferguson and Cecil Corley of Haskell; Bob Dickenson, G. C. Carothers Jr. and I. R. Russell, all of Stamford; C. C. Cox of Lueders; and Joe Baker of Avoca.

All three courses are run simultaneously, according to Ray Davis, district field executive.

Ford presents two new deep-block engines

THE NEW
130-h.p. Y-block V-8

This new Overhead-Valve V-8 has an extra-deep block which resembles a "Y" in cross-section. This new deep-block design means greater rigidity for smoother, quieter performance... longer engine life. Other features which make this engine a long-lived, smooth, savingful performer are: new low-friction (short-stroke) design, Free-Turning Overhead Valves, new 5-bearing crankshaft, and new high-turbulence combustion chambers.

THE NEW
115-h.p. I-block SIX

Like the new Y-block V-8, this engine has Ford's deep-block design for greater rigidity, longer engine life. Also, like the V-8, you get Ford's modern manifold, low-friction design, high-turbulence combustion chambers, and Ford's Automatic Power Pilot. One advantage of both new engines is an amazingly flat "torque curve" which gives you top pick-up power through the whole range of driving speeds.

You are cordially invited to come in and Test Drive the

Democrats of Area Scheduled to Attend Jefferson-Jackson Day Dinner Tonight

Numbers of Hamlin area Democrats are scheduled to attend the Jefferson-Jackson Day dinner for the 24th Senatorial District, to be held this (Friday) evening at Sweetwater. Senator Robert S. Kerr, senior senator from Oklahoma, will be the principal speaker at the affair, to be held at the Bluebonnet Hotel.

"The Democrats are this year staging a harmony dinner for all party members," a spokesman

stated. "They feel that elections this year are strictly on state issues and Texas men, and the feeling is that this year the decision will be made by the people as Democrats or Republicans in the state and not on national issues."

Bernard Buie of Stamford is district chairman for the dinner.

Senator Kerr is a world war veteran, an ex-school teacher, magazine salesman, attorney and oil man who was elected governor of Oklahoma as the first native of the state to hold that office in 1942. He was elected to the U. S. Senate in 1948.

The Jefferson-Jackson Day dinner is his first public appearance in Central West Texas. Kerr is reported to be a powerful speaker, and was a presidential possibility in 1952.

An honorary reception will be held for Kerr in the Bluebonnet Hotel at 6:30 p. m., and the fund raising dinner will be at 7:30. Attendance at both reception and dinner is open to the public. Tickets to the dinner will be \$10.

A search is being made in each county of the 24th Senatorial District for the oldest Democrat who will be honored at this dinner. He will also compete for the statewide oldest Democrat honor. Everyone is urged to offer the names of oldest Democrat in their community, Buie declares.

SENIOR PLAY

(concluded from page one) follows from the senior class and sponsors: Vernon Townsend, business manager; Tucker Newland, assistant business manager; Mrs. Austin Poe, director; Margaret Boone, student director; Atha Lea Grice, stage director; Milton Butler, stage manager; Doyle Brinegar, spotlight director; Mari-sue Daniels, publicity; Ava Beaty and Janet Higdon, make-up artists; Laverne Meeks, prompter; Mary Willingham, props; Janice Agnew, director of orchestra; Norma Jo Murff, in charge of ushers.

Quata Miller is in charge of the between-acts, and many good specialties are being prepared. The senior class scored high in the Western Parson's talent show that was presented recently in Hamlin. Pete Cowan and Walter Willis received first place in the show. Helen Chandler and Jeanne Jones' act was second on the show. These students will be featured at the senior play, along with the famous senior girls' trio composed of Janice Agnew, Faith Simpson and Marilyn Fletcher, accompanied by Vera Tidwell.

ROBERT S. KERR (above), senior senator from Oklahoma, will be the principal speaker at the Jefferson-Jackson Day dinner to be held in Sweetwater this (Friday) evening, which will be attended by a number of Hamlin area Democrats.

Gardeners Urged to Make Plans Early for Gardens This Year

Gardening on the Plains of Texas is different from gardening in any other part of the state. Weather, water, soil and growing seasons make the general "rules-of-thumb" error on home gardening in our area.

These are the words of Dr. George Elle, professor of horticulture at Texas Tech, who urges people of the Hamlin area to get busy with their plans for the new gardening year.

It is almost too late to buy the seeds for many early type gardens, he reminds readers of The Herald.

RED CROSS DRIVE

(concluded from page one) and 51.6 per cent was remitted to the area office.

Last year's goal was \$8,202, but only \$5,732.36 was raised, with \$2,784.14 remaining here and \$2,968.22 going to the area office at St. Louis.

Red Cross money for disaster relief went to West Texas neighbors following the tornado at Knox City and Judd last spring. It was a part of the \$821,385.89 which the Red Cross spent on disasters in Texas last year because of a bus accident, tornadoes, fires, flood, explosions and storms. The assistance given to sufferers in such disasters is not a loan. The awards are always based on need, not loss, when a family is unable to re-establish normal living through its own resources or credit, Mrs. Gamblin pointed out.

Jones County has benefitted through some of the other services of the American Red Cross. Forty-seven children in Jones County received water safety certificates last summer after having completed courses taught by Mrs. John Bennett of Stamford and George Owens of Anson.

Red Cross nursing certificates were awarded to 142 persons in Jones County during the past year. Nursing instructors for the Jones County chapter are Mrs. H. K. Langford of Stamford, Mrs. Lois Stephens of Hamlin and Mrs. Joe Wayne Carter of Hamlin.

Jones County chapter has three volunteer home service workers. For the year ending December 31 the chapter was able to aid 282 of the total of 306 requests, Mrs. Gamblin said. Ninety-eight of these were given financial assistance for a total cost to the chapter of \$1,192.38.
Requests for emergency leave came from and were sent to places all over the world, Mrs. Gamblin said. This service was free, but at a cost to the local chapter of \$420.45.

PARR'S ATTORNEY ARRIVES—Arthur Garfield Hayes, general counsel of the American Civil Liberties Union, leaves his plane at Houston enroute to Corpus Christi to confer with George B. Parr, whom he will represent (as an individual, not as a union official) in Parr's plea for an injunction against harm by Texas Rangers. Interviewing Hayes is Houston Post reporter Steve Richard, left.

Hamlin Boys Win Four of Seven Grand Champion Awards at Couty Club Show

Hamlin 4-H Club girl and FFA and 4-H Club boys won four of the seven grand champion awards at the annual Jones County Club Boys' Livestock Show Saturday at Hamlin.

Last year's winners in the fat steer division repeated as winners this year, Louella Brigham, Hamlin 4-H Club girl, and James Cox, Lueders 4-H Club boy, taking the champion and reserve championships.

Louella, 19-year-old daughter of Mr. and Mrs. W. E. Brigham, repeated her win with a 940-pound heavyweight dry lot steer, bred by Largent & Sadler of Merkel, Louella is a freshman this year at Hardin-Simmons University in Abilene.

James 18-year-old son of Mr. and Mrs. J. A. (Red) Cox of Lueders, took the reserve spotlight with his lightweight 680-pound steer bred by A. M. G. (Swede) Swenson of Stamford.

Competition was keenest at the show in the breeding heifer class. There were more than 90 entries in the swine division.

Champion barrow was shown by Douglas Ford, Hamlin FFA boy, and the reserve barrow was exhibited by Steve Reynolds, Hamlin FFA boy. Champion breeding female was shown by Dawl Johnson, Hamlin FFA boy, and the reserve champion by Jerry Smith, Hamlin 4-H Club member.

Brand champion and reserve champion in the sheep division went to two Southdown Rambouillet cross-breeds. Kenneth Good, Anson FFA boy, shown the grand champion; and Robert Vickers, Lueders FFA member, took the reserve award.

Champion dairy female was a Jersey cow shown by Steve Reynolds, Hamlin FFA; and Bobby Rogers, Stamford FFA, exhibited the reserve champion.

Showing the champion capon was Bud Shelton, Avoca FFA boy, and reserve champion was shown by Jerry Reeves, Lueders FFA.

Edsel O. Ford Begins Basic Training in Anti-Aircraft Center

Private Edsel Odell Ford, son of Mr. and Mrs. O. C. Ford of Hamlin, recently began an eight-week course of basic training in the Anti-Aircraft Artillery Replacement Training Center at Fort Bliss, near El Paso.

The first eight weeks of basic training are spent on fundamental infantry subjects like army drill, rifle, machine gun and bazooka marksmanship, and familiarization with Army technical subjects. This first phase of training is climaxed with a one-week maneuver in the field.

Upon completion of the first eight-week cycle, Private Ford will either be assigned for further training at Fort Bliss in the techniques of anti-aircraft artillery or he will be transferred to another training center for schooling in some other Army skill.

Should he remain at Fort Bliss, his second eight weeks will see him learn the uses of various electronic equipment employed by the AAA-RTC. He will also be expertly trained in the firing of light and medium anti-aircraft artillery at low-flying and high altitude aerial targets on the 1,500,000-acre Fort Bliss ranges.

Officials Meet at Hamlin to Plan Firemen's Confab

Plans for the annual convention of the Mid-West Firemen's Association, to be held April 8 at Albany, were made when officials of the group met Sunday afternoon at Hamlin.

Jake Lawson of Hamlin, president of the regional group, presided. A publicity committee for the meeting was named composed of Ray Lusk of Haskell, Gilbert Hinds of Baird and Louie Cunningham of Hamlin.

Leonard Henderson of Colorado City was endorsed as this area's candidate for fourth vice president of the Texas Firemen's and Fire Marshals Association.

Following the business session, refreshments were served to the attendants.

Present at the Sunday gathering were J. Parker Sharp and Clyde Wurst of Merkel; John McGrath, Carl Kunkel, W. O. (Cap) McWhorter and Walter R. Crow of Albany; Leonard Henderson of Colorado City; Gilbert Hinds and James C. Asbury of Baird; Charles Bennett and A. L. Bracker of Rotan; R. R. Lusk of Haskell; L. J. Cunningham, Ed Branscum,

Six Hamlin People Go to Bankers Meet

Six Hamlin people attended the annual convention of the Seventh District Bankers Association at Fort Worth Sunday and Monday. Outstanding bankers of the nation were featured on the program, as well as unusual entertainment.

Making the trip were Mr. and Mrs. Earl Smith, Mr. and Mrs. W. T. Johnson, Faye Atkinson and Lennie Greenway.

Vallie D. Hodges on Way Home from Korea

Corporal Vallie D. Hodges, 23-year-old son of Vallie G. Hodges of Route 3, Hamlin, is returning to the United States after duty with the 2nd Infantry Division in Korea.

Corporal Hodges, who was a member of the 23rd Infantry Regiment's Company H, entered the Army in July, 1952, and joined the division the following December.

If you lubricate nails or screws with soap, you may find it easier than usual to drive them into wood or plaster.

Weldon Johnson Named President Of Rotary Club

Weldon Johnson, Hamlin agent for the Santa Fe Railway, was elected president of the Hamlin Rotary Club at the annual election of officers Wednesday noon at the oil mill guest house. Louie Cunningham was elected secretary, and new directors will be Rev. Houston Walker and Ned Moore.

The new officers will take office July 1. Wesley Nail is president, and will be vice president in the new regime.

W. M. Stokes, president of the Cooperatives Bank of Houston, spoke on the "Relationship Between Cooperatives and Communities." He pointed out the operation of cooperative gins and oil mills, and named the Hamlin Mid-West Cooperative Oil Mill as one of seven in the state.

C. H. Matthews of Eagle Lake, member of the Federal Farm Credit Board, also spoke on the credit status of government-sponsored credit banks for cooperatives.

It was announced that Dr. Louis E. Frazier, president of San Angelo Junior College, will speak at

next week's Rotary meeting on "Communism vs. Democracy."

Besides the speakers, other visitors at Wednesday luncheon included Joe Culbertson of Hamlin, Rev. Uel D. Crosby of Brownfield.

Sir Walter Raleigh wrote "A History of the World" while imprisoned in the Tower of London.

Governor Potential Scores Wetback Reds As Threat to Nation

A warning that Communist infiltration into Texas is concealed in the wetback invasion across the Rio Grande was issued this week by Judge Ralph W. Yarborough, 1952 candidate for governor and considered a potential candidate this year.

Yarborough pointed out that the United States Immigration Service has testified before a congressional committee that up to 100 Communists are crossing the Mexican border into Texas every day in the El Paso area alone.

"These Communists come disguised as wetbacks, but they are not unlearned farm laborers," Yarborough declared. "They are Communists, taking advantage of the 'open border'—opened by the big border bosses who want cheap labor on their vast border estates."

cere solicitation of your vote and influence if I should fail to see you personally.

My only promise to you is that I shall serve you honestly and to the best of my ability, as the many and varied problems arise.

If you choose to re-elect me, my wish is to serve you in such a manner that, when you judge me by my acts, you will be more than satisfied with the confidence you have placed in me.—Roger Garrett.

Congressman Burleson Says Catching Rabbit Hardest Part of Having Dinner

Peter Rabbit is coming into quite some prominence, declares Omar Burleson, congressman from this district, in his weekly news column release to The Herald, "Washington: As It Looks from Here." He continues:

The U. S. Department of Agriculture, Bureau of Human Nutrition and Home Economics, has recently issued Home and Garden Bulletin No. 35. Its title, "Ways to Cook Rabbit." This is a 16-page booklet for sale by the Superintendent of Documents, U. S. Government Printing Office, at Washington 25, D. C., for the price of 10 cents per copy. It is, no doubt, intended to appeal to all nationalities, since it contains 20 recipes, among which we find rabbit chop suey, creole rabbit, curried rabbit, and hassenpfeffer, but to mention the old American standbys of rabbit pie, rabbit hash, plain stewed or fried rabbit, with or without dumplings. It not only gives pointers on cooking, but also on buying and thawing rabbits. I was somewhat amazed because the researchers who prepared the booklet overlooked the main item. They should have at least had a paragraph on "How to Catch a Rabbit." I have eaten a lot of rabbit in my day under quite a few aliases. Most cook books carry a pretty good run of recipes for preparing the animal after it is caught. I never experienced any trouble in the cooking. It was always the catching that seemed to be the most trouble.

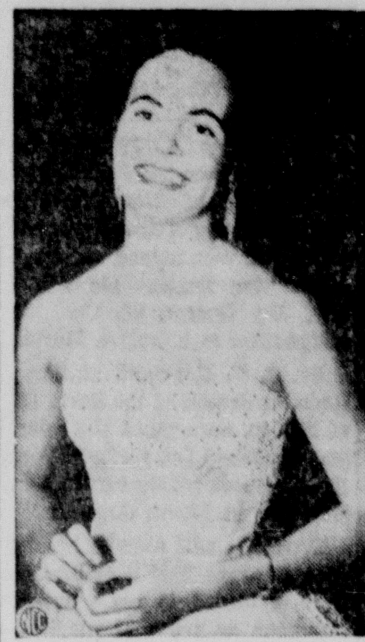

Senator Lyndon Johnson has invited me to participate in his weekly radio program to be broadcast on some stations in Texas on Sunday evening, February 21, at 6:30 o'clock. Other stations carry the transcribed program later in the week.

It was my pleasure to be a guest at the radio and television correspondents' annual dinner here in Washington last Saturday night. President Eisenhower was present and spoke. His entire cabinet and about all the big-wigs in Washington were on hand for the affair.

A few days ago President Eisenhower made the first official announcement that this country exploded the hydrogen bomb on the island of Eniwetok in the fall of 1952. Since the president's announcement, members of Congress have been given further information on the subject. It has been my privilege to view films showing the great preparation and explosion of the bomb. The information conveyed by the films is as yet strictly classified. There is, however, a recommendation by the chairman of the joint committee of the Congress on atomic energy to release the picture to the public. Personally, I hope it will be done. I hardly see how it could convey any secrets to our enemies, and it certainly does impress one with the awfulness of the weapon, which is almost beyond our imagination.

This last week was National Boy Scout Week. A little boy named Frankie Cronkite, son of a Texan living here in Washington, came up to my office and pinned a Boy Scout badge on my lapel. He had his speech of presentation prepared and delivered it without a bobble. As a former Boy Scout to another Scout, we shook hands, and the little ceremony afforded me a great deal of pleasure.

Annual Cub Scout Banquet Attracts 150 at School Cafe

Annual blue and gold Cub Scout banquet was held Monday evening at the Primary School cafeteria. One hundred and fifty people enjoyed a delicious fried chicken dinner. A George Washington theme was carried out in the decorations.

Entertainment followed the dinner. Bingo games were played, and a good-will test was won by Danny Bruce.

The impressive Webelos ceremony was held, which is the highest award in Cubbing. Ned Moore Jr., son of Mr. and Mrs. Ned Moore, and Bob Johnson, son of Mr. and Mrs. Weldon Johnson, were awarded this rank. This is the only reward in Cubbing to be worn on the Scout uniform.

New officers for the coming year are: Vesta Townley, Cubmaster; Sigmund Stovall, assistant Cubmaster; John D. Ferguson, secretary-treasurer; Grady Smith, committee chairman.

Den mothers are Mrs. O. H. Weaver, Mrs. David Morgan, Mrs. Leroy Stubbs, Mrs. Paul Cooper and Mrs. Fred B. Moore Jr.

In closing the meeting Mrs. O. H. Weaver led the group in the Cub hawl.

GI's Taking Farm Training Required to Make Reports Soon

World War II veterans of the Hamlin area and the rest of the nation who are taking GI bill farm training were reminded this week by the Veterans Administration that reports of their 1953 earnings are due at their VA regional offices not later than the first day of March. Robert W. Sisson, manager of the VA's Lubbock regional office declared in a release to The Herald.

Failure to submit the reports by the deadline, Sisson warned, may result in discontinuance of GI subsistence payments until such time as the reports do reach the VA office.

Trainees who have not yet received the report forms may obtain them from their instructors.

The earning reports, covering any income from productive labor for the calendar year 1953, serve a double purpose.

First, they are used by VA as the basis for adjusting each veteran's subsistence for the current year 1954. And second, they are part of the veteran's course of instruction in farm accounting, thus giving him the chance to put into practice what he has learned in the classroom.

Milton Fletcher and son, Eric, of Dallas, were week-end visitors with Mr. and Mrs. W. L. Fletcher Jr. in Hamlin. The grandson remained for an extended visit with his grandparents.

Dr. Henry A. Holle Named State Health Officer to Succeed Cox

Dr. Henry A. Holle, internationally known public health administrator of New York City, with a strong Texas background, this week was named state health officer for Texas. He will succeed Dr. George W. Cox, whose resignation is effective March 1.

Dr. J. B. Copeland of San Antonio, chairman of the State Board of Health, announced the selection and described Dr. Holle as "one of the foremost public health administrators in North America."

Dr. Holle will assume his duties as new state health officer when he is replaced in his present assignment as regional medical director of U. S. Public Health Service Regions I and II, a 10-state area with headquarters in New York City.

The 49-year-old Dr. Holle (pronounced Holly) was born in Brenham. He received his early education in Brenham public schools and graduated from Blinn Memorial College of Brenham. He took pre-medical work at Texas A. & M. College and later entered the University of Texas medical school, where he received his medical degree in 1927.

Evangelist Tells Lions Citizenship Means Something

"It means something to be a citizen of America," declared Rev. Uel D. Crosby, pastor of the Brownfield Methodist Church, as he spoke Tuesday at noon at the luncheon meeting of Hamlin Lions Club. "But being a citizen here has its responsibilities."

The evangelist, who is leading in a revival meeting this week at the First Methodist Church, declared that many of our citizens have a tendency to let down on their loyalty and patriotism after crises like wars. But still millions in the world today would like to live in America for the things we enjoy like freedom of speech, religion and press. Then he pointed to the privileges of Christian citizenship, with principles of right living and the opportunities for service to others.

It was announced by President C. C. Bailey that the Lions Club will meet next Tuesday at 12:15 at Hamlin High School as part of the observance of Public School week. A program by school students will follow in the auditorium.

Joe League was initiated as a new member of the club.

Besides Rev. Crosby, other guests at the Tuesday meeting were Joe Breed of Anson and Rev. S. Duane Bruce, Hamlin First Methodist Church pastor.

Opportunity doesn't knock so often, but temptation seems to pound away every day.

CC Speaker Says Life of Service Is Spent Worthily

Nearly 400 attendants at the annual Hamlin Chamber of Commerce banquet Friday night heard a Fort Worth evangelist give them the recipe for worthwhile living, then the new CC president presented a formula for city growth.

The gathering, held in the auditorium of the Hamlin Junior High School, was started off with a cafeteria style meal with entertainment by two McMurry College students. W. F. Martin, Hamlin rancher, was toastmaster.

Dr. Gaston Foote, pastor of the Fort Worth First Methodist Church, after a humorous preface, presented his listeners the recipe for a useful life.

"Be a good person to play next," he urged, using as a real-life example his experience with a big tackle who gave him inspiration during football games in his early life as well as furnishing him inspiration for his living today.

"Do and be the best you can with what you have," was his second point. He reminded that being successful was not in earning big money or being acclaimed as a business leader, but in utilizing what you have to the best advantage.

"Be willing to make a sacrifice for humanity," he advanced as his third point. He cited the importance of a sacrifice hitter in a baseball game as an example.

Following the Fort Worth orator, Delma Shelburne, new president of the Chamber of Commerce, urged Hamlin community people to greater accomplishments by providing more recreational facilities, a swimming pool and street paving. He pointed to the need for a revamped tax structure by adjusted valuations. He also urged the consideration of the city manager form of government.

"Stamford, with nearly double Hamlin's population, collects 300 per cent more taxes; and Anson, with 20 per cent less population, collects 11 per cent more," Shelburne declared as he emphasized the need for tax adjustments.

Shelburne recommended the equalization of tax values by a competent appraising concern.

C. L. Howard, retiring CC president, presented a report of last year's Chamber of Commerce work.

Howard also introduced the new officers and directors.

Visitors were present at the gathering from Jasper, Roby, Anson, Stamford, Abilene, San Angelo, Gainesville, Spur, Odessa, Sweetwater, Dallas, Hermleigh, Sylvester, Fort Worth, Neida, McCaulley, Rotan and Waynesboro, Mississippi.

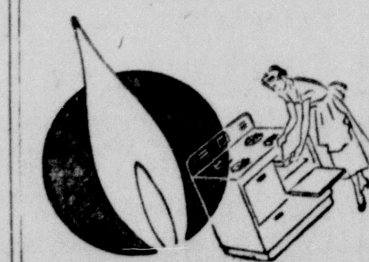

Decorations on the banquet tables, featuring a George Washington motif, were arranged by a committee from the Hamlin Garden Club, of which Mrs. Ed Bailey is president. Women helping with the decorations were Mmes. Carl Murrell, A. A. Hackley, Fred Carpenter, C. C. Prater, W. B. Britton and Harold Bonner. Cherry tree blossoms for the tables were provided by the art class of Mrs. Olivia Griggs.

Katy Carloadings for Week Show Decline

Revenue freight cars loaded on the 2' souri-Kansas-Texas Railway Lines for the week ended February 5, 154, totaled 4,470 compared with 4,528 during the corresponding week of 1953. During the week 4,175 revenue freight cars were received from connecting railroads, as against 4,919 during the same week last year.

This brought the number of cars handled by the Katy during the week to 8,645 compared with 9,447 during the corresponding 1953 week. The Katy has handled 42,447 carloads to date this year, compared with 47,437 for the corresponding period of 1953.

Hamlin People Invited To Hear E. E. Wallace

People of the Hamlin area were extended a special invitation this week to hear next Friday and Saturday evenings E. E. Wallace Jr., prominent young Scurry County rancher, speak at the First Baptist Church at Rotan.

Dr. Lawrence Hayes, pastor, says young Wallace, a recent convert, has an interesting experience message that is intriguing. He is the son of the late Eke Wallace, long-time Snyder rancher.

Donations to State Heart Fund Campaign Pass Halfway Mark

Early reports from district and local chapter headquarters of the Texas Heart Association indicate contributions to the 1954 Heart Hunt campaign have passed the half-way mark, it has been announced by Dr. W. R. White, Baylor University president and Texas Heart Fund chairman for 1954.

"Approximately \$250,000 in contributions has been received according to early campaign reports," Dr. White said, "placing the state Heart Fund drive well ahead of last year's campaign at this time."

The chairman of the state-wide drive to raise funds to combat the nation's No. 1 killer—heart and blood vessel diseases—pointed out that reports received by state campaign headquarters "are incomplete at this time, and we are certain that still more generous contributions have been made which have not yet been reported."
